

2025 Outlaw Super Late Model Tire Policy

1. Tire tampering to soften or enhance tire performance, will carry strict penalties
2. All tires in competition at Owoosso Speedway are to be significantly internally powdered, no powder is a disqualification for the night. (ZERO TOLERANCE, NO POWDER IS A DQ)
3. OWOSSO OUTLAW SUPER LATE MODEL HOOSIER RACE TIRE POLICY & INSPECTION PROCEDURE (TAMPERING OF TIRES TO SOFTEN OR ENHANCE TIRE PERFORMANCE IS PROHIBITED AND WILL BE ENFORCED)
 - a. This rule applies to ALL tires in the pits, on the car, in the trailer, in the hauler, ETC. “ALL tires”
 - b. All Tires may be checked at any time.
 - c. Race tires for Owoosso Outlaw Super Late Models: ST-1 (left side), ST-2 (right side); any team that uses a tire other than the designated tire type will automatically receive an offence for tire tampering.
 - d. No softening, soaking, conditioning, siping, grooving, to enhance performance of race tires.
4. Testing procedure for race tires is as follows:
 - a. Tire(s) will be collected after feature event.
 - b. Tire(s) will be cleaned in the area of officials choosing. Cleaning will be done by the team with the teams own cleaning tools.
 - c. Cleaned tire inspection area will be heated with heat gun, to the temp of 200* Fahrenheit and then checked with a durometer.
 - d. If tire durometers reading is at a range out of the spectrum from all other competitors durometer reading, the tire(s) will be confiscated and sample sent to laboratory for testing.
 - e. When tire samples are sent to the lab, all Winnings and points will be frozen until results are received.
 - i. If final lab results produce a failed sample inspection, no winnings or points will be awarded, and the team will receive their discipline for tire tampering.
 - ii. If final lab results produce a clean un-failed tire sample inspection, upon receiving cleared inspection results from laboratory, all winnings held will be rewarded.
 - f. Tire samples can be taken at any time, before, during, or after the event.
 - g. Tire Samples will be put in an evidence vial per Blue Ridge Laboratories Inc. & then sealed in an evidence bag and sent to: Blue Ridge Laboratories Inc., 2766 Blue Creek Road, Lenoir, NC 28645.

- h. Owosso Speedway will not be liable for or replace any tire(s) that test samples are taken from regardless of the test results.
- i. A failed lab report for tire tampering will result in Automatic DQ for the night of the event and further discipline will be issued at the discretion of Owosso Speedway officials.
